1	Constant	A New Personal Assistant for Older Adults	Rev Intell Artif. 2019;33:435_40	23 September 2019	This purpose-built solution is called Constant Companion, a first-ofits-kind personal emergency and companion system that works hands-free with Amazon's Alexa. We invite you to experience how this voice-activated virtual assistant works. It's a revolutionary gamechanger for the caregiving industry and for families who need to monitor and communicate with loved ones that might be more vulnerable.

Elena Borelli, Giac omo Paolini, Fran cesco Antoniazzi, Marina Barbiroli  Elderly  An IoT Solution for Independent Elderly  Mar 12. doi: 10.3390/s190 51258  Published online 2019 Mar 12. doi: 10.3390/s190 51258  2019 Mar  a flexible and extensive digital platform for Smart Homes is presented, exploiting the most advanced technologies of the Internet of Things, such as Radio Frequency Identification, wearable electronics, Wireless Sensor Networks, and Artificial Intelligence. Thus, the main novelty of the paper is the system-level description of the platform flexibility allowing the interoperability of	S.No	Author	Title	Name of the Journal/ Conference	Volume/ Issue/Year	Merits/ Demerits
different smart devices.
